

Carl F. Weems, PhD

Business Address:

Department of Human Development
& Family Studies, Iowa State University,
Email: cweems@iastate.edu

Education

Post Doc Stanford University, Developmental Psychopathology, July 2001
Ph.D. Florida International University, Lifespan Developmental Psychology, December 1999
 Dissertation: *Anxiety sensitivity in children and the development of panic and anxiety in adolescents: A prospective study*
M.A. Hollins College, Experimental Psychology, May 1995
B.A. Florida State University, Psychology, May 1993

Experience

Academic

7/2015- *Professor & Chair*, Department of Human Development & Family Studies
Iowa State University, Ames, IA
8/2011-7/2015 *Professor*, Department of Psychology
University of New Orleans, New Orleans, LA
6/2012-7/2015 *Associate Chair*, Department of Psychology
University of New Orleans, New Orleans, LA
7/2013- *Clinical Professor*, Department of Psychiatry, School of Medicine,
LSU Health Sciences Center, New Orleans, LA
8/2005-6/2012 *Undergraduate Coordinator* Department of Psychology
University of New Orleans
8/2006 to 8/2011 *Associate Professor*, Department of Psychology, University of New Orleans
7/2007- *Adjunct Faculty*, LSU Life Course and Aging Center
Louisiana State University, Baton Rouge, LA
8/2001 - 8/2006 *Assistant Professor*, Department of Psychology, University of New Orleans
7/2000 - 7/2001 *Research Director*, Brain Development and Traumatic Stress Project
Division of Child and Adolescent Psychiatry and Child Development
Stanford University School of Medicine; Stanford, CA
8/1996 to 7/2000 *Lecturer and Teaching Assistant*, Department of Psychology
Florida International University; Miami, FL
8/1994 to 5/1995 *Teaching Assistant*, Hollins College; Roanoke, VA

Other Professional

1/00 to 7/00 *Therapist*, Camelot Care Centers, Inc.; Ft. Lauderdale, FL
8/96 to 7/00 *Research Assistant and Therapist*, Child and Family Psychosocial Research
Center, Florida International University; Miami, FL
10/95 to 6/96 *Clinical Specialist*, ACT Corporation; Daytona Beach, FL
6/93 to 6/94 *Counselor*, ACT Corporation; Daytona Beach, FL
12/92 to 5/93 *Family Skills Specialist*, Kids in Home Intervention and Diagnostic Services,
Tallahassee, FL

Scholarly and Creative Productivity:

Grants & Contracts

a. Grants and contracts received

Title: Integrating Cognitive and Computer Science to Improve Cyber Security:
Selective Attention, Personality and Programming the Detection and Prevention of Risk
Role: Co-Principal Investigator (Richard and Ahmed Co-PI's)
Source: National Science Foundation CNS-SaTC: EAGER
Budget: \$223,022; Dates: 4/15/14 to 3/31/16
Summary: Identifying personality and cognitive indicators of cyber security risk. Developing software to test these linkages via collaboration between psychological and computer sciences.

Title: Evaluation of the Mental and Behavioral Health Capacity Project (MBHCP)
Role: Sub-contract PI; Source: Mental and Behavioral Health Capacity Project (MBHCP) at LSU Health Sciences Center
Budget: \$74,430; Dates 7/1/13 to 6/30/15
Summary: Design and data analysis for evaluation of the (MBHCP) at LSU Health Sciences Center. MBHCP is designed to provide mental health outreach to schools, federally qualified health clinics and community clinics in 7 designated parishes in Louisiana impacted by the 2010 Deepwater Horizon Oil Spill.

Title: Neurostructural and Neurofunctional Correlates of Emotion Regulation and Executive Function: Assessing a new Health and Wellness Curriculum in a public school district.
Source: Anonymous donors to the Lucile Packard Foundation for Children's Health; Palo Alto.
Role: Core Team Investigator for Methodological and Data Analysis Component (PI: Carrión);

Dates: 9/1/14-6/1/18 Budget: \$8,600,000 (total cost)

Summary: Testing the effects of a wellness intervention for high risk youth –using a multimodal outcome assessment including change in brain structure and function.

Title: Confirmatory factor analysis and validation of the Child RMP
Role: Principal Investigator; Source: IDS Publishing Co.
Budget: \$18,000; Dates 1/20/13 to 12/31/13
Summary: Survey parents of children and the youth with the Child RMP and related assessments for factor analysis and construct validation.

Title: Effect of D-cycloserine on treatment of PTSD in youth.
Role: Co-Investigator (M. Scheeringa, PI) Dates: 07-22-2010 – 7/22/12
Source: 1RC1 MH-088969-01 NIMH; Project Budget: Directs Year 1 \$309,250, Year 2 \$312,650
Summary: A randomized clinical trial of D-cycloserine plus cognitive behavioral therapy (CBT) versus placebo plus CBT in 7-12 year-old youth. Potential biomarkers and underlying mechanisms of change, including attentional bias to threat, autonomic cardiac control, and cortisol regulation were also prospectively measured.

Title: Biobehavioral Mechanisms for Severe Disruptive Behavior in Adolescent Girls
Role: Co-Investigator (Shirtcliff, PI);
Source: National Institute of Mental Health (R21 MH093675)
Budget: \$385,364 (total 2 years); Dates 7/1/11 to 6/30/13
Summary: Examined if stress and sex hormones operate as biobehavioral pathways to disruptive behavior disorder symptoms.

Title: The Efficacy and Effectiveness of a School Based Test Anxiety Intervention
Role: Principal Investigator; Source: Institute of Mental Hygiene
Budget: \$117,500; Dates 4/1/08 to 6/1/11
Summary: The study tested the efficacy of a comprehensive test anxiety screening and intervention program, examining its utility as an early identification and prevention program.

Title: Raising the Standard of Care for Pediatric PTSD; Source: Lucile Packard Foundation
Role: Consultant (PI: Carrión); Dates: 1/1/09 - 12/31/12; Budget: \$15,000
Summary: Design and statistical consulting for a randomized waitlist controlled intervention for youth with posttraumatic stress.

Title: Familial Mechanisms of Anxiety in Latino Children; Source: 1F31MH097313-01A1
NIMH, Predoctoral Individual National Research Service Award (F31)
Role: Consultant (PI: Niditch, Sponsor Varela); Dates: 12/1/12 - 7/31/13; Total Cost \$33,488
Summary: Examine whether parental control confers risk for developing anxiety disorders in Latino children through the same mechanism as it does for European American children.

Title: Youth Exposure to Disaster and Terrorism
Role: Consultant; Source: OSUHSC Terrorism and Disaster Center (Betty Pfefferbaum PI; SAMHSA) Cost 20,000; Dates 6/1/12 to 7/30/12
Summary: Prepared a comprehensive report on the status of current knowledge about the effects of natural and human-caused disasters on children, the factors associated with outcomes, and the implications of the findings.

Title: The role of real and perceived control in youth emotion regulation: Improving the predictive capacity of physiological assessments. Source: UNO College of Sciences Faculty Research Grant; Role: PI; Dates: 1/1/11 - 5/31/12; Budget: \$10,000
Summary: The project examined whether discrepant patterns of perceived and actual physiological regulation relate differentially to internalizing and externalizing problems in youth.

Title: Improving the Mental Health of New Orleans Post Katrina.
Role: Co-Investigator (Lead director of the youth Anxiety and Mood Clinic). (PI: Martel);
Source: Louisiana Board of Regents Enhancement Program (020SS09);
Budget: \$144,000; Dates: 6/1/09 to 5/31/11
Summary: Restoration and expansion of the mental health services provided by the clinics of the Department of Psychology.

Title: Florida Node of the Drug Abuse Clinical Trials Network, Source: National Institute on Drug Abuse (NIDA U10 DA 13720), Center for Family Studies (PIs: Robbins & Szapocznik)
Role: Subcontract PI; Dates: 9/1/09 to 8/30/10. Budget: \$18,312
Summary: Dissemination of findings on the effectiveness of Brief Strategic Family Therapy in the treatment of adolescent drug abuse focusing on the role of comorbid disorders.

Title: Treatment Effectiveness for PTSD in Young Children
Role: Co-Investigator (PI: Scheeringa); Source: National Institutes of Health (R34 MH070827)
Cost: \$526,661; Dates: 3/1/05 to 11/31/08
Summary: Developed a treatment manual and tested the efficacy of cognitive behavioral therapy for young children with PTSD.

Title: Florida Node of the Drug Abuse Clinical Trials Network, Source: National Institute on Drug Abuse (U10 DA 13720), Center for Family Studies (PIs: Robbins & Szapocznik)
Role: Consultant; Dates: 8/30/08 to 8/30/09. Cost: \$24,085
Summary: Dissemination of findings on the effectiveness of Brief Strategic Family Therapy in the treatment of adolescent drug abuse focusing on the role of comorbid disorders.

Title: Children's Reasoning about Anxiety Sensations
Role: Principal Investigator; Source: National Institutes of Health (R03 MH067572)
Cost: \$71,000; Dates: 1/1/04 to 12/1/06
Summary: Examined a number of cognitive, behavioral and developmental predictors of anxiety in youth and developed a method of assessing children's reasoning about anxiety sensations.

Title: Identifying Cognitive Risk for Childhood Anxiety
Role: Principal Investigator; Source: Investing in Research Excellence (UNO-IRE)
Cost: \$12,000; Dates: 01/01/06 - 12/31/07
Summary: To test the construct and predictive validity of risk factors for childhood anxiety disorders.

Title: Hurricane Katrina and Youth Anxiety: The Moderating Role of Parental Anxiety, Attachment Beliefs, and Control
Role: Research Mentor –Natalie Costa Recipient; Source: Koppitz Research Fellowship – American Psychological Association.
Cost: \$23,000; Dates: 6/01/06 - 6/31/07
Summary: To identify predictors of psychosocial and behavioral outcomes after exposure to traumatic stressors in childhood.

Title: Predicting Outcomes of Exposure to Natural Disasters: Pre to Post Katrina
Role: Principal Investigator (Co-PI Armando Pina); Source: Institute for Social Science Research
Cost: \$25,000; Dates: 10/1/05 - 4/30/06
Summary: To identify predictors of psychosocial outcomes in youth after exposure to traumatic stress.

Title: Child and Family Anxiety, Fear and Stress Project
Role: Principal Investigator; Source: College of Science, UNO
Cost: \$30,000; Dates: 8/1/01 to 8/1/03
Summary: The overall aim was to establish a protocol for assessing mechanisms and symptoms of childhood anxiety disorders.

Title: PTSD in Incarcerated Youth of the State of Louisiana Juvenile Detention System
Role: Consultant; Source: State of Louisiana, Juvenile Justice System
Cost: \$2,600; Dates: 7/1/03 to 1/1/04
Summary: Established the protocol for assessing symptoms of PTSD among incarcerated youth.

b. Grants and contracts applied for

Title: SBE: Medium: Collaborative Research: Psychological Factors in Cybersecurity: Measuring and Identifying Predictors of (In)Secure Cyber Behavior
Role: Co-Principal Investigator (Richard and Ahmed Co-PI's)
Source: National Science Foundation SaTC-SBE
Budget: Total \$1,100,000; Dates: 9/1/16 to 8/30/19
Summary: Develop both a self-report measure and an immersive environment technique to assess secure and insecure behavior in a population of internet users, provide psychometric analysis and refinement and test the links between cognitive behavioral and personality propensities.

Title: Stress and dysregulation of salience and information integration networks in the brains of children at ultra-high risk for schizophrenia.
Role: Co- Investigator (Elliot Beaton, PI)
Source: National Institute of Mental Health (R01)
Budget: \$ 2,583,609 (Total, 5 years) 7/1/16 to 6/30/21
Summary: Examine how stress contributes to the development of schizophrenia in children with 22q11.2DS via networks that regulate salience and integration of information (ACC, insula, amygdala, hippocampus) using sMRI & fMRI neurocognitive tasks, physiological, hormonal, and immunological metrics of stress and anxiety.

Title: Salience network connectivity in adolescents and young adults with Down syndrome: The role of stress and allostatic load in the etiopathology of Alzheimer's disease.
Role: Co- Investigator (Elliot Beaton, PI)
Source: National Institute of Child Health and Human Development
Budget: \$ 2,540,664 (Total, 5 years) 10/1/15 to 9/30/20
Summary: Examine the role of stress and allostatic load in the etiopathology of Alzheimer's disease in Down Syndrome.

Title: Research Consortium on Community Cohesion and Psychological Toxicity.

Role: Investigator & Lead Data Analyst for the Consortium (Anthony Spier, PI)
Source: RFP-IV Full Proposal of the Gulf of Mexico Research Initiative
Budget: \$ 5,957,016.41 (Total, 3 years) 1/1/15 to 1/1/18 (not funded)
Summary: Investigate the long-term influence of the Deepwater Horizon oil spill on the behavioral health of Gulf Coast residents residing in Alabama, Florida, Louisiana, and Mississippi.

Title: An Examination of Effectiveness of Disaster Messaging and Evacuation Responses
Role: Principal Investigator (Pamela Kennett-Hensel; Peter Yaukey & Pamela Jenkins Co-I's)
Source: National Science Foundation *SBE Office of Multidisciplinary Activities; Interdisciplinary Behavioral and Social Science Research (IBSS)*
Budget: \$903,851.00 (Total, 3 years) 9/1/14 to 8/31/17 (not funded)
Summary: Apply an interdisciplinary, multi-method approach to develop methods of eliciting self-protective behavioral responses, and evacuations in particular, in situations of impending hurricanes.

Title: Cognitive Mechanisms of Change in Anxious Emotion
Role: Principal Investigator; Source: National Institute of Mental Health (R15)
Budget: \$430,000 (Total, 3 years) 8/1/14 to 7/31/17 (in revision)
Summary: The proposed research is targeted at identifying indicators and understanding core processes and mechanisms underlying anxious emotion in youth within a developmental framework.

Title: Cognitive Mechanisms of Anxiety Disorder Symptom Trajectories
Role: Principal Investigator; Source: National Institute of Mental Health (R01)
Budget: \$175,000 (per year, 5 years) 6/1/12 to 5/31/17 (not funded)
Summary: The proposed research is targeted at understanding the role of cognition in the expression and maintenance of anxiety related difficulties by identifying time and cost-effective indicators of the core processes and mechanisms underlying anxiety problems in adolescents within a developmental understanding of symptom expression.

Title: Response to Acute Threat in Trauma-Exposed Youth
Role: Co-Principal Inv. (PI Scheeringa); Source: National Institute of Mental Health (R01)
Budget: \$250,000 (per year, 5 years) 8/1/12 to 7/31/17 (not funded)
Summary: The proposed research will attempt to answer the question of "Why do symptoms from multiple disorders commonly arise simultaneously following trauma, and why do they simultaneously improve with cognitive behavioral therapy?"

Title: Mechanisms of Preschool Disruptive Behavior Disorders
Role: Co-Investigator (PI Martel); Source: National Institute of Mental Health
Summary: Test causal theory of mechanisms of disruptive behavior disorders (DBD) using an experimental treatment outcome design and (2) advance personalized intervention approaches by identifying parent moderating characteristics that influence treatment outcome. (not funded)

Title: Brain Structure in Disaster-Related Pediatric PTSD
Role: Co-Investigator (Victor Carrion, PI); Source: National Institute of Mental Health
Budget: \$250,000 per year (total direct 1,000,000 5 years) 6/1/10 to 6/30/15
Summary: The overall aim of the proposed study will involve testing the impact of natural disaster exposure precipitated PTSD on brain development in youth. (Scored: below 20th %tile not funded)

Title: The effectiveness of a school based test anxiety intervention for New Orleans youth: Intervention and Anxiety Disorder Prevention.
Role: Principal Investigator.
Budget: Total direct \$600,000 Total \$876,000 (2 years) 10/1/09 to 9/30/11. Source: National Center for Community Health and Research (NCCHR) via New Orleans Health Department and the Orleans Recovery Foundation (Not funded)
Summary: The overall aim of the proposed study involves testing the utility of an early identification and prevention program, and training school guidance counselors in New Orleans schools.

Title: The neuroscience of stress and related disorders-Louisiana consortium for the study of stress
Role: Co-Principal Investigator; Source: LA Board of Regents
Budget: \$7,354,606-(Recommended for funding) by the review committee but was not funded.
Summary: Develop a multi-disciplinary and highly interactive program that will elucidate cellular, molecular and epigenetic mechanisms as well as behavioral and psychological outcomes of chronic stress and stress-related disorders through a multidisciplinary, multiscale biomedical research effort.

Title: Identification of risk and protective mechanisms in stress-related mental disorders
Role: Principal Investigator; Source: LA Board of Regents
Budget: \$740,000 –(Recommended for funding) by the review committee but was not funded.
Summary: The overall aim of the study involves clarifying the risk and protective mechanisms in the evolution of stress-related mental disorder in youth.

Title: Identifying cognitive risk for childhood anxiety
Role: Principal Investigator; Source: National Institute of Mental Health
Budget: \$175,000 (per year, 5 years) 1/1/08 to 12/31/12 (not funded)
Summary: The overall aim of the proposed study will involve testing the construct and predictive validity of cognitive risk factors for childhood anxiety disorders. (not funded)

Title: The Impact of Hurricane Katrina on the Functioning of Ethnic Minority Youth
Role: Principal Investigator; Source: William T Grant Foundation
Budget: \$498,000 (not funded)
Summary: The overall aim of the proposed study will involve testing how social, cognitive, and contextual processes confer risk for childhood anxiety problems.

Major Advisor for Dissertations and Master Theses:

University of New Orleans

1. Natalie M. Costa Thesis title: *Parent and child anxiety: Do attachment beliefs and perceived parenting behaviors mediate the association.* (Defended May 2004).
2. Christopher Dehon Dissertation title: *A mediational model of the effects of interpersonal violence on youth.* (Defended July 2004).
3. Melinda Cannon Thesis title: *Comorbid anxiety and depression: Do they cluster as distinct groups in youth.* (Defended July 2005).
4. Sarah Watts Thesis title: *The associations among attention, memory, interpretive biases and anxiety.* (Defended August 2005).
5. Leslie K. Taylor Thesis title: *Which events constitute criteria A1 of PTSD? The phenomenology of psychological trauma in youth* (Defended August 2006).
6. Natalie M. Costa Dissertation title: *Hurricane Katrina and youth anxiety: The role of parental anxiety, parental and youth attachment beliefs, and parenting behaviors* (Defended April 2007).

7. Allison Marks Thesis Title: *Corporal Punishment and its Association with Anxiety in Youth* (Defended March 2009).
8. Leslie K. Taylor Dissertation title: *The Feasibility and Idiographic Evaluation of School-Based Trauma-Focused Intervention Services in the Wake of Disaster* (Defended, May, 2010).
9. Melinda Cannon Dissertation Title: *Cognitive Biases in Childhood Anxiety Disorders: Do Interpretive and Judgment Biases Distinguish Anxious Youth from their Non-anxious Peers?* (Defended, April, 2010).
10. Brandon G. Scott Dissertation title: *Perceived and Actual Emotional Control among Youth: Are There Differential Relations with Anxiety and Aggression?* (Defended July 1st 2013).
11. Rebecca Graham Thesis title: *Anxiety sensitivity and its association with parenting behaviors* (defended August, 2013)
12. Donice Banks Thesis title: *Hurricane-exposed youth and psychological distress: an examination of the role of social support* (defended August, 2013).
13. Justin Russell Thesis Title: *The structure of child and adolescent aggression: Confirmatory factor analysis of a brief peer conflict scale* (defended April, 2014).
14. Erin L. Neill Thesis: *Cognitive Behavioral Therapy for Child Posttraumatic Stress Disorder: The Direct and Reciprocal Effects on Maternal Depression* (Defended December 2014).
15. Rebecca Graham Dissertation title: *Parent and Child Vagal Tone: Examining Parenting Behaviors as Moderators of the Association* (Defended July 2015).
16. Donice Banks dissertation title: *Anxiety and differences in physiological responding to ambiguous situational vignettes.* (in progress)

Committee Member for Dissertations and Master Theses:

University of New Orleans, Department of Psychology

1. Christopher Dehon Thesis title: *The relationship of conduct problems, depressive symptoms, and anxiety symptoms to substance use in late-adolescence.* (Defended June 2002).
2. Lara Rachel Robinson Thesis title: *Parental determinants of emotion regulation in a maltreated sample.* (Defended May 2004).
3. Angela Keyes Dissertation title: *Behavioral and emotion components in a parenting intervention.* (Defended July 2005).
4. Sarah D. Robinson Thesis title: *The moderating effect of parenting on the development of Externalizing Problems in Toddlers* (Defended April 2005).
5. Luna C. Munoz Dissertation title: *Types of aggression, responsiveness to provocation and psychopathic traits* (Defended July 2005)).
6. Eva R. Kimonis Dissertation title: *Developmental pathways to psychopathic traits in Caucasian and African American juvenile offenders* (Defended July 2005).
7. Sara Sohr-Preston Dissertation Title: *Receptive vocabulary as a mediator of the relationship between responsive communication and the development of child compliance.* (Defended May, 2006)
8. Kristin L. Callahan Thesis title: *The Direct and Interactive Effects of Neighborhood Risk and Harsh Parenting on Childhood Externalizing and Internalizing Behavior* (Defended May, 2006)
9. Drew Terranova Dissertation Title: *Predictors of bullying victimization* (Defended July, 2006)
10. Lara Rachel Robinson Dissertation title: *The effects of maltreatment on emotion regulation.* (Defended June 2006).
11. Tolanda Age Thesis title: *Emotion regulation and adjustment in the offspring of military personnel* (Defended August 2006).
12. Danielle Dandreaux Dissertation title: *Developmental Pathways to Conduct Problems* (Defended May 2007).
13. Gabriel Quintero Dissertation title: *Interactions of the Striatal Gene Rhes with the Dopaminergic System in Rodents* (Defended August 2007).
14. Mathew Heinly Dissertation Title: *Language dysfunction in traumatic brain injury while controlling*

- for effort* (Defended August 2007).
15. Scott Mirabile Dissertation Title: *Emotion Socialization, Emotional Competence, and Social Competence and Maladjustment in Early Childhood* (Defended May 2009).
 16. Stuart White Dissertation Title: Examining the influence of Callous Unemotional Traits on Outcomes in an Evidence-based Treatment Program for Delinquent Adolescents (Defended, April, 2010).
 17. Kristen L. Callahan Dissertation Title: Disrupting the Impact of Socioeconomic Disadvantage on Risk for Behavior Problems among Preschool Children: The Role of Headstart Attendance (Defended, April, 2010).
 18. Jonathan Ord Dissertation Title: Biopsychosocial factors in chronic spine related pain: Contributions to Pain Intensity and Perceived Disability (Defended, March, 2010).
 19. Gregory Fassnacht Thesis Title: Exploring the moderating effects of CU traits on the relationship between social intelligence and aggression. (Defended January, 2010).
 20. Katherine Lau Thesis Title: Exploring the profiles of narcissism, psychopathy, and Machiavellianism in youth: An examination of associations with antisocial behavior and aggression. (Master's thesis, proposed January, 2010).
 21. Kelly Curtis Dissertation Title: A multi-group analysis of the psychological factors that contribute to persisting working attention problems in mild TBI and chronic pain. (defended April 2012).
 22. Moira Riley Thesis Title: Contextual Risk and the Association Between Sensitive Parenting and Social Competence During Early Childhood. (defended Jan 2012).
 23. Brenna Sapotichne Thesis title: Evaluating the Role of Environmental Stressors and Sensitive Parenting on the Emergence of Internalizing and Externalizing Problems during Early Childhood (defended August 2012).
 24. Frank Lee Dissertation title: How the manipulation of Rhes alters the behavioral and molecular progression of Huntington's disease (proposed April 2012 in progress).
 25. Juli L. Weiss Thesis title: The Interaction of Post-Partum Depression and Maternal Knowledge of Infant Development on Change in Sensitive and Responsive Parenting during Early Infancy (defended September 2012).
 26. Genevieve E. Lapré Thesis Positive and Negative Parenting Strategies, Parental Psychopathology, and Relational Aggression in Youth (defended August 2012)
 27. Katherine Lau Dissertation title: Personality, Aggression, and Dysregulation: Understanding the Unique Features of Callous-Unemotional, Narcissistic, and Borderline Personality Traits in Detained Adolescents (defended August 2013).
 28. Gregory Fassnacht Dissertation Title: The Association between Hostile Attribution Bias, Social Intelligence, and Relational Aggression in Detained Boys. (Defended November 2013).
 29. Melissa M. Kunimatsu Dissertation Title: Hostile Attributional Bias in Aggression and Anxiety: The Role of Perceived Provocateur Motivation (Defended October 2013).
 30. Rachael Kahn Dissertation Title: Identifying Variants of Psychopathology in Youth (Defended May, 2014).
 31. Kelli Thompson Thesis: The Association between Trauma Exposure, Maladjustment, and Aggression in Detained Boys (Defended August 2014)
 32. Genevieve E. Lapré Dissertation Positive and Negative Parenting Strategies, Parental Psychopathology, and Relational Aggression in Youth (defended June 2015)
 33. Moira R. Riley Dissertation The interaction of parenting and the serotonin transporter gene on trajectories of fearful temperament in early childhood (defended July 2015).
 34. Jessica M. Grande Thesis: Fearful temperament moderates the association between positive parenting and children's social competence during early childhood (defended August 2015).
 35. Brenna Sapotichne Dissertation: Fearful Temperament Moderates the Effect of Harsh Parenting on Early Childhood Problem Behaviors within Dangerous Neighborhoods: A Multilevel Analysis (defended October, 2015).
 36. Matthew D. Marrero Dissertation: Expectations and Violations of Privacy during Adolescence

(defended November, 2015)

Leiden University, The Netherlands:

Sindy Sumter Dissertation Title: *Growing up to be Fearful? Social Evaluative Fears during Adolescence*
(Defended March 2010).

Tulane University, New Orleans:

1. Lauren Hensley Thesis Title: *Pediatric Somatization and Anxiety Sensitivity following Hurricane Katrina* (Defended September 2006).
2. Lauren Hensley Dissertation Title: *A Longitudinal Study of Anxiety Sensitivity and PTSD following Hurricane Katrina* (Defended April 2009).
3. C. Christiane Creveling Thesis: *Controlling Parenting, Cognitive Schemas, and Anxiety among Latino and White, Non-Latino Children* (Defended September 2009).
4. Laura Niditch Thesis Title: *The Relationship between Perceived Controlling Parenting and Anxiety in Youth: The Moderating Effects of Emotional Self-Efficacy and Metacognition* (Defended, December, 2010).
5. Laura Niditch Dissertation Title: *Temperament, Parenting, and the Development of Anxiety in Early Childhood*. (Defended March, 2014).
6. Berre Burch Dissertation title: *Exploring the role of arousal regulation and links with posttraumatic stress symptoms following allegations of maltreatment* (Defended April, 2014).

UNO Department of Biological Sciences:

Jessa Madosky Dissertation Title: *Factors That Affect Harem Stability in a Feral Horse (*Equus caballus*) Population on Shackelford Banks island, NC* (Defended, June, 2011).

University of New England, Australia:

Mary C Kaspar Doctor of Psychology in Clinical Psychology thesis title: *Socially anxious children's threat perceptions: Changes following a brief intervention and associations with behavioral plans and competency estimations*. (Read 8/27/07).

Other Professional Accomplishments

Course/program design and development

8/01 to 6/2015

University of New Orleans

Undergraduate Courses:

Personal Growth and Adjustment; Introduction to Statistics
History of Psychology; Special Topics: The Psychology of Trauma

Graduate Level Courses:

Advanced Statistics I
Advanced Statistics II
Developmental Seminar
Seminar in Psychological Interventions

7/00 to 7/01

Stanford University School of Medicine

Graduate Seminar Topics:

Developmental Assessment of Childhood Internalizing Disorders
Treatment of Phobias in Children and Adolescents

8/96 to 7/00

Florida International University

Undergraduate Courses:

Abnormal Psychology; Adolescent Development;
Introduction to Psychology; Personal Growth and Adjustment;
Personality; Research Methods

Courses Assisted:

Research Methods; Adult Development

8/94 to 5/95

Hollins College

Team Teaching:

Advanced Research Methods

Undergraduate Courses Assisted:

Learning; Introduction to Psychology

Special recognition for teaching

Teaching quality consistently maintained as indicated by student ratings on “overall this instructor was effective in this course” with averages above 4.5 (strongly agree = 5) on the University of New Orleans’s 1-5 standard rating scale from 2005-2015.

Academic service

Iowa State University

Chair of the HDFFS department and currently lead a department of over 60 faculty and Staff and 700 students.

- College of Human Science Budget Advisory Committee (2015-present)
- College of Human Science Deans Cabinet (2015-present)
- University Le Baron Hall Study Steering Committee (2016-present)
- HDFFS Graduate Executive Committee, Ex Officio (2015-Present)
- ISU HDFFS Chair on the Great Plains Interactive Distance Education Alliance (Great Plains IDEA), a joint project of member institutions, sponsors online programs offered jointly by two or more institutions in the alliance.

University of New Orleans

I served as Associate Chair, Undergraduate Coordinator and as representative to the College Course and Curriculum Committee where I was involved in four major initiatives: the integration of our bachelor of science and bachelor of arts degrees into a single bachelor of science degree, standardization of transfer credit from Louisiana schools, the standardization of degree credit hours and most recently a revision to the curriculum and changes to the descriptions and prerequisites of over 20 of our class offerings.

On-campus (as administrator, committee member, etc.)

- Associate Chair, (administrative appointment), Department of Psychology, University of New Orleans (2012-2015)
- Undergraduate Coordinator (administrative appointment), Department of Psychology, University of New Orleans (2005-2012)
- Director, Childhood Anxiety Disorders Clinic, Psychological Services Clinics at the University of New Orleans (2001-2015)
- Director, Child and Family Anxiety, Fear and Stress Laboratory, University of New Orleans, Department of Psychology (2001-2015)
- Department Representative College of Science Courses and Curriculum Committee (2003-2015)
- College of Science Assistant Dean Hiring Committee (2012)
- Department Representative College of Science Retention Committee (2011-2013)
- Member Department of Psychology Clinic Committee (2001-Present)

-Member, Department of Psychology New Faculty Search Committee (2003-2004; 2006-2008; 2011-2012)

-Chair, Department of Psychology Faculty Search Committee (2008-2009)

Off-campus

Community Service: The Childhood Anxiety Disorders Clinic in the Psychological Services Clinic at the University of New Orleans and the Child and Family Anxiety, Fear and Stress

Laboratory has provided low cost sliding scale psychological assessments for anxiety disorders and related emotional problems and treatment since 2001. The Clinic and Lab also serve as a training and practicum site for advanced graduate training. School based screening and interventions for test anxiety including counselor trainings and intervention supervision.

Other -Organized clinical assessment procedures for anxiety disorders clinic at Stanford University's School of Medicine (2000) -President of the Association for Developmental Graduate Students/Student Faculty Liaison, Florida International University (1997-1999)
